min. no. JALP-1.2/17-2018,  
in Riga

## REGULATIONS

February 26 2018

Nr.JALP-7.6/02-2018

### **Amendments to the JSC LatRailNet regulations Nr.JALP-7.6/02-2017 of 30 June 2017 “The Collection Scheme”**

1. Amend the JSC LatRailNet regulations No.JALP-7.6/02-2017 of June 30 2017 “The Collection Scheme” as follows:

1.1. supplement and express Paragraph 4 as follows:

“Infrastructure charges according to the value of the respective charging parameter *param* laid down in the railway infrastructure Charging Scheme are collected from railway undertakings and performers of relevant technological processes, that operate in specific market segments *s* and service groups *gr* laid down in the railway infrastructure Charging Scheme. In cases where an applicant and the infrastructure manager have signed a relevant agreement according to Paragraph 27 of the Railway Law, the payments for the use of the railway infrastructure to the infrastructure manager can be made by the applicant as well.”

1.2. supplement and express Paragraph 1 of the Annex as follows:

“The infrastructure manager collects the infrastructure charges from the railway undertakings or performers of relevant technological processes for the number of train kilometers actually travelled, that is determined by the distance between the center-lines of stations. In cases where an applicant and the infrastructure manager have signed a relevant agreement according to Paragraph 27 of the Railway Law, the payments for the use of the railway infrastructure to the infrastructure manager can be made by the applicant as well.”

2. The charging body publishes the amendments on its website and submits them to the infrastructure manager for inclusion in the railway infrastructure network statement.

3. The amendments enter into force upon their publication.

4. A complaint regarding these amendments in accordance with the ninth part of Paragraph 12 of the Railway Law may be submitted to the State Railway Administration no later than a month after the date of their publication.
