No. JALP-7.6/03-2021

**Amendments to the JSC LatRailNet regulations No.JALP-7.6/02-2017 of 30 June 2017 "The Collection Scheme"**

1. Amend the JSC LatRailNet regulations No.JALP-7.6/02-2017 of June 30 2017 "The Collection Scheme" (hereinafter - the Scheme) as follows:

1.1. Express Paragraph 13.<sup>3</sup> of the Scheme as follows:

"13.<sup>3</sup> If the capacity allocation body has received an application for the allocation of non-scheduled capacity on the part of the network where the network loading optimization measures (discounts) are in place and the charging body finds that other applicants intend to use less of the allocated train paths than planned (for example, it is planned to use the capacity only on certain days of the week), then for the allocation of unused infrastructure capacity within the existing working timetable the non-scheduled application payment for the allocated part of railway infrastructure capacity **ĀKM** rezer bfv gr is applied to all train movements in the amount of the application assurance payment **NKM** rezer bfv gr referred to in Paragraph 13 of the Scheme."

2. The charging body publishes these amendments on its website on the internet and submits information about it to the public-use railway infrastructure manager for inclusion in the railway infrastructure network statement.

3. These amendments enter into force upon their publication.

4. A complaint regarding these amendments in accordance with the ninth part of Article 12 of the Railway Law may be submitted to the State Railway Administration not later than a month after the date of their publication.
