Charging Scheme”**

1. Make amendments to the JSC LatRailNet regulations Nr.JALP-7.6/01-2017 “The Charging  
Scheme” of 30 June 2017 (hereinafter referred to as the Scheme) as follows:

1.1. express Annex 2 to the Scheme as follows:

"

2.pielikums

### Railway infrastructure cost normalization coefficients

Cost elements	Normalization coefficients	The values of normalization coefficients in 2020	Weighted normalization coefficients in 2020	The values of normalization coefficients in 2021	Weighted normalization coefficients in 2021	The values of normalization coefficients in 2022	Weighted normalization coefficients in 2022
Payroll	Output-dependent premiums		1,35%		0,65%		1,30%
	Consumer price index	2,50%		1,20%		2,40%	
	Assessment of the causes of structural changes and other identified events						
Social contributions	Values affecting payroll	2,50%	0,33%	1,20%	0,16%	2,40%	0,31%
	Tax rate						
Materials, fuel, electricity	Producer price index or tariff rates	2,70%	0,30%	1,30%	0,14%	3,30%	0,36%
	Assessment of the causes of modernization work and other identified events						
Other costs	Producer price index	2,70%	0,59%	1,30%	0,72%	3,30%	1,02%
	Assessment of the causes of other identified events			1,96%		1,33%	
<b>Total cost indexation rate</b>			<b>2,57%</b>		<b>1,67%</b>		<b>2,99%</b>

".

2. The charging body publishes these amendments on its website on the internet and submits information about it to the public-use railway infrastructure manager for inclusion in the railway infrastructure network statement.

3. These amendments enter into force upon their publication.

4. According to the twelfth part of Article 11 of the Railway Law, a complaint regarding these amendments can be submitted in State Railway Administration not later than one month after the day of the publication.
