PCS Training Baltics

jointly organized by RFC Baltic-Adriatic, North Sea-Baltic, and Amber

General Information

Location: LTG Infra AB, Geležinkelio g. 14, LT-02100 Vilnius
We will await you at the entrance as access is only possible with an LTG Infra employee.

Date: Tuesday, February 28th – Wednesday, March 1st, 2023

Day one: Plenary session with all RFCs and RNE with focus on the basics of PCS. A general introduction to PCS and the basic functions of the system will be provided along with information about the PaP offer on RFCs and RFC-specific news. An option for remote participation is provided for this session.

Day two: IMs and RUs work on practical test user cases in PCS and/or create real dossiers supervised by the C-OSS managers and RNE.

Practical Information

- ❖ Participants need to bring their own laptop.

- ❖ PCS training accounts will be provided, personal PCS accounts can be provided on-site.

- ❖ Please check with your IT that your browser is at its highest version so that you will not face any troubles using PCS.

- ❖ Training language is English with possible assistance in German, French, Polish, Italian, Latvian, Lithuanian and Estonian during the exercises.

- ❖ It is possible to join remotely via MS Teams during the first day. Due to the interactive design of the second training day, a remote participation is not possible.
