## REGULATIONS

5 November 2025

No.JALP-7.6/10-2025

### **Amendments to the regulations No. JALP-7.6/01-2016 “The scheme for the allocation of the public-use railway infrastructure capacity” issued by the Joint Stock Company LatRailNet on 6 September 2016**

1. Make the amendments to the regulations No. JALP-7.6/01-2016 “The scheme for the allocation of the public-use railway infrastructure capacity” issued by the Joint Stock Company LatRailNet on 6 September 2016:

1.1. express Sub-paragraph 2.8. as follows

“2.8. **programming period** – daily period from 00.00 to. 12.00 and from 12.00 to 24.00.”;

1.2.supplement Paragraph 19.<sup>1</sup> with the following sentence:

“A train that is delayed and has not been assigned another train path is considered a train that is not included in the annual working timetable, the dispatch and passage of such a train takes place in accordance with the instructions issued by the infrastructure manager.”.

The capacity allocation body publishes these amendments on its website on the internet and submits them to the infrastructure manager for inclusion in the railway infrastructure network statement.

3. The amendments enter into force on 5 November 2025, while the amendments provided by Sub-paragraph 1.1 are applied for capacity allocation processes from 14 December 2025, starting with the annual working timetable for year 2025/2026.
